

HOW TO VOTE FOR YOUR FAVOURITE BRICKVENTION EXHIBIT!

As you view the exhibits at Brickvention you can vote for your favourite!
The exhibit with the most votes wins a prize – and you can too!

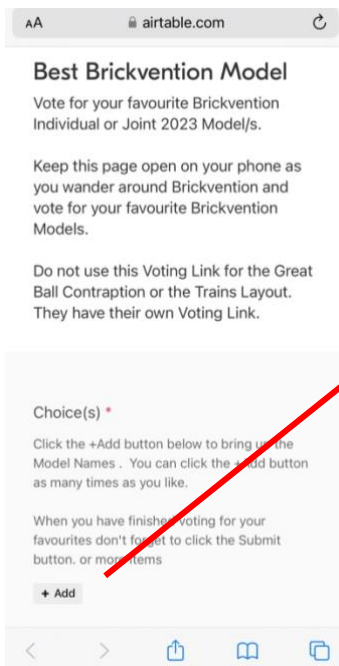

Each display has an information card containing a QR code – scan the code with your phone camera. You will also see posters around the building with the QR code for voting.

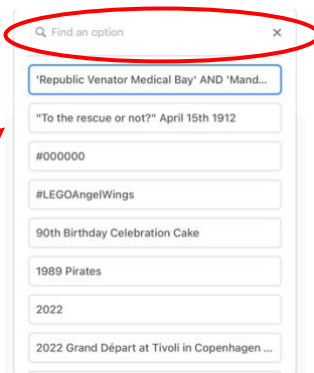

← Scan the QR Code →

You will be taken to a webpage like this one, scroll down until you see the through the + Add button. Then look through the list to find the name of the model you would like to vote for.

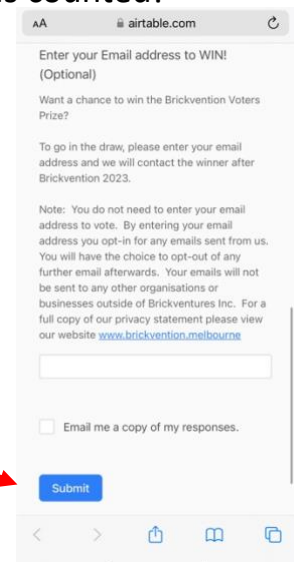

Search or scroll through the list, then tap on the display you'd like to vote for.

You can click + Add again if you'd like to vote for more than one.

Once complete, scroll to the bottom of the page. For the chance to win our annual voter prize, enter your email address. But most importantly, click the blue Submit button to ensure your vote is counted!

Please note there are three categories to vote in.

Most displays are part of the General category and you can vote here:
<https://www.brickvention.melbourne/gr/brickvention-voting-general/>

For displays that are part of the Great Ball Contraption, vote here:
<https://www.brickvention.melbourne/gr/brickvention-voting-gbc/>

And for displays that are part of a Train layout, vote here:
